Bonus: What connects the 5 previous answers?

Round 3

John | Apr. 9, 2025

Category 9 - Pavlovs

If you listened to the "This is Jeopardy" podcast this category might ring a bell lol. A pavlov is a common clue/answer association. For example for a clue about a danish physicist, the answer will most likely be Neils Bohr. A clue about a Scottish Poet will likely have Robbie Burns as the answer. I will begin asking a question but won't finish it. Answering in the form of a question is optional

41. This 7 time Superbowl winning New England Patriot Quarterback...
42. This prolific English poet, playwright and actor...
43. This biblical prophet who was swallowed by a whale...
44. This first female Nobel Prize winner who discovered Radium...
45. This Chinese American architect...

Category 10 - Jeopardy Trivia

46. Not including daily doubles, what is the highest dollar value for a clue in the double jeopardy round?
47. How many clues comprise a standard Jeopardy regular season syndication game?
48. What province does Canadian Jeopardy icon Alex Trebek come from?
49. Who has the longest win streak with 74 consecutive games won in 2004 and now hosts the show?
50. Jeopardy is filmed in Culver city in the Sony Pictures Studios right next to this other prime-time game show that airs right before it. +1 bonus if you can name the new host

Bonus: if you can name the new host

Round 3

John | Apr. 9, 2025

Category 11 - Bored games

51. In the classic game of naval combat and strategy Battleship, how many direct hits are needed to sink the battleship
52. Not including the corner spaces on the Monopoly board, how many spaces are not property, railroad or utility spaces
53. Backgammon is the only game known to use a doubling cube to raise the stakes of the game at any time by either player. It has numbers on it instead of pips and is never rolled, only used as a marker. What is the highest number on a backgammon doubling cube?
54. In the vintage game of Operation, how many ailments does the "patient" have?
55. In the game of Bridge, what is the highest bid you can make to secure the contract and become the declarer? It's also called a grand slam if you bid it and are successful.
