2. This glam punk American band only released 2 albums in their short time together, but had a huge impact on the music world. Members included: David Johansen, Johnny Thunders, Sylvain Sylvain, and Arthur "Killer" Kane.
3. In, Sausalito Summernights, the band Diesel sang about heading to Frisco in their beat up Rambler, hoping they'd make it across the Golden Gate Bridge. Although it sounds like an American anthem, this one hit wonder was written in their home city, which houses the International Court of Justice. Hint? Is not in America.
4. This Canadian band, fronted by Holly Woods gave us, Girls' Night Out and Your
5. In 1986, the Rolling Stones gave its this Shuffle. In 2012, the internet gave us this viral techno Shake. Hint? It's region in Manhattan.

### Category 2 - Daddy Don't Know.

6. This chemical herbicide was used to destroy vegetation during the Vietnam War. It's still affecting all who were exposed to it. REM references it in an anti war song.
7. This series, first aired in 2018 and ran for 5 seasons. A much anticipated sequel is supposed to air this year. Hint: The story focused on a patriarch and his family. The sequel will be featuring one of his most memorable children.
8. While not recognized by professionals, this is considered to be the most depressing day of the year. This year it fell on January 19th. The name given to this day is also the title of a song by New Order.
9. This venomous species can be identified by its shiny, jet black body, and a distinct red or orange hourglass shape on the underside of its bulbous abdomen. I wouldn't try to identify it.
10. Give the title of any Prince song that fits the category.

## Round 1

### Category 7 - Winter Mash-Up

*ie., Frosty and Parson Brown encounter Don Quixote...Snowman of La Mancha*

31. This Dickens Classic features an unlikeable miser, not this loveable, earlobe tugging comedian, who won 12 People's Choice awards.
32. Early forms of this travel gear were made from bent wood and rawhide and contained none of these items which are often used to fasten footwear.
33. A psychiatric condition that can cause extreme mood swings combined with an expansive mass of cold air that can cover huge areas of Canada at one time.
34. This larger than life actor, who appears in 7 John Hughes films, was as sweet and cool as this Christmas treat.
35. This performer's song, which told us to stop, collaborate, and listen, was likely never used by individuals like Nancy Kerrigan, in this sport

### Category 8 - Mystery Category

36. This platform allows people to take a shot at having online video conversations with random people. It could be a hit or a miss!
  37. This 9 letter word refers to the fringe area of a town. Hint: John Cougar lived there.
  38. This 7 letter word is slang for a detective. It's origins came from the rubber-soled footwear, which might allow them to sneakily sleuth... sleuth sneakily??
  39. This global company announces the colour of the year, annually.
- Bonus: A bonus if you know the colour they chose for 2026.
40. Derek Zoolander perfected this modeling pose/look. No bonus if you too have perfected it!

Bonus: What connects the previous 5 answers?
